## PROFESSIONAL SUMMARY

AI & Data Science graduate with strong knowledge in Python, Machine Learning, and enterprise systems. Passionate about solving real-world problems using AI and analytical thinking. Seeking opportunities to contribute technical expertise, adaptability, and problem-solving skills in a growth-oriented organization.

---

## EDUCATION

**Annamacharya Institute of Technology & Sciences (Autonomous), Rajampet**

**2023 – 2027**

B.Tech in Artificial Intelligence and Data Science

CGPA: 9.00/10

**Sri Nalanda Junior College , Rajampet**

**2021 – 2023**

Intermediate (MPC)

CGPA: 9.58/10

**Infant Jesus English Medium High School ,Rajampet**

**2020 – 2021**

10<sup>th</sup> Class SSC

CGPA: 10/10

---

## TECHNICAL SKILLS

- Programming Languages: Python, Java, SQL, C
- Libraries & Frameworks: NumPy, Pandas, Scikit-learn, OpenCV,
- Databases: MySQL, Oracle
- Tools & Platforms: Git/GitHub, Power BI, MS excel , MS word

---

## Internship

Currently pursuing an internship in AI & ML with hands-on exposure to Python, Machine Learning, and real-world project development.(2024)

Google Virtual Internship Program — AI & Data Analytics (2025)

*Worked on practical tasks involving Python, data handling, and problem-solving concepts.*

---

## PROJECTS

### Image Captioning System

Developed an AI-based Image Captioning System that automatically generates meaningful captions for images using Deep Learning techniques.

### Smart AI Interview Bot

Created an AI-powered interview bot that simulates technical interview interactions and evaluates responses.

---

## CERTIFICATIONS

- Python Programming – Udemy Complete Course (2025)
- Java Programming – Hacker rank (2025)
- SQL & Database Management – Oracle University (2026)
- Wadhvani Foundation Employability Skills (2024)

---

## ACHIEVEMENTS

- Awarded Runner-Up in a Coding Competition for excellence in problem-solving, programming, and logical reasoning.
- Secured **Position** in a Technical Event for outstanding performance and teamwork.

---

## ADDITIONAL INFORMATION

Languages: Telugu, English, Hindi

**Interests:** Exploring AI Tools, Listening to Music, Reading Books, Cooking.
